THE PALFINGER BM26 CRANE

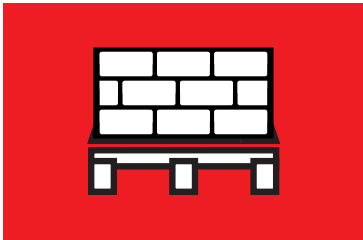

DESIGNED FOR BUILDERS' MERCHANTS

The BM26 has been designed specifically for builders' merchants. Built for 26 GVW trucks, it combines all the features you need for straightforward 'lift and place' tasks. This strong, simple crane is easy to use and maintain, offering outstanding value. Built to Palfinger's famous quality standard, the BM26 is supremely reliable, durable and long lasting, day-in, day-out.

As the UK distributor of Palfinger lorry cranes, we provide not only your new crane, but also offer a commercial body-building facility, repairs, servicing and training – a one-stop shop for the install, supply and maintenance of your cranes.
